CERF INCORPORATED
MANAGEMENT INFORMATION CIRCULAR AND PROXY STATEMENT FOR THE
ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 22, 2016

General

Words importing the singular number, where the context requires, include the plural and vice versa and words importing any gender include all genders. In this Management Information Circular and Proxy Statement (“**Circular**”), unless otherwise noted, all dollar amounts are expressed in Canadian dollars. Information contained in this Circular is given as of May 14, 2016, unless otherwise stated.

SOLICITATION OF PROXIES

This Circular is furnished in connection with the solicitation of proxies by the management of CERF Incorporated (the “**Corporation**”) for use at the Annual and Special meeting of the holders of common shares (the “**Shares**”) of the Corporation (the “**Shareholders**”) to be held in the **Cardium Room at the Calgary Petroleum Club, 319 - 5th Avenue S.W., Calgary, Alberta**, on the 22nd day of June, 2016 at 3:00 p.m. (Calgary time), or at any adjournment thereof (the “**Meeting**”), for the purposes set forth in the Notice of Meeting. Accompanying this Circular (and filed with applicable securities regulatory authorities) is the form of Proxy for use at the Meeting, by holders of Shares of the Corporation.

Proxies will be solicited by mail and may also be solicited personally or by telephone or facsimile by the directors or officers of the Corporation, who will not be specifically remunerated therefore. The cost of solicitation by management of the Corporation will be borne by the Corporation. The Corporation may pay the reasonable costs incurred by persons who are the registered but not beneficial owners of voting securities of the Corporation (such as brokers, dealers, other registrants under applicable securities laws, nominees and/or custodians) in sending or delivering copies of this Circular, the Notice of Meeting and Instrument of Proxy to the beneficial owners of such securities. The Corporation will provide, without cost to such persons, upon request to the Corporation, additional copies of the foregoing documents required for this purpose.

Notice-and-Access

The Corporation has elected to use the "notice-and-access" provisions under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (the "**Notice-and-Access Provisions**") for the Meeting in respect of mailings to its Shareholders who do not hold their Shares in their own name, but rather hold their Shares indirectly through accounts with such institutions as brokerage firms, banks and trust companies (referred to in this Circular as "**Beneficial Shareholders**"). However, the Corporation will not be using the Notice-and-Access Provisions in respect of mailings to its registered holders of Common Shares ("**Registered Shareholders**"). The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders by allowing a reporting issuer to post an information circular in respect of a meeting of its shareholders and related materials online.

The Corporation has also elected to use procedures known as 'stratification' in relation to its use of the Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of an information circular and, if applicable, a paper copy of financial statements and related management's discussion and analysis ("**Financial Information**") to some shareholders together with a notice of a meeting of its shareholders. In relation to the Meeting, Registered Shareholders will receive a paper copy of each of a notice of the Meeting, this Circular dated May 14, 2016 and a form of proxy whereas Beneficial Shareholders will receive a Notice-and-Access Notification and a voting instruction form. Furthermore, a paper copy of the Financial Information in respect of the most recent financial year of the Corporation has been mailed to Registered Shareholders as well as to those Beneficial Shareholders who have previously requested to receive them.

The Corporation will be delivering proxy-related materials through intermediaries to both non-objecting Beneficial Shareholders and objecting Beneficial Shareholders, and the Corporation intends to pay intermediaries for the delivery of such material.

PROXY INSTRUCTIONS

Shareholders have the right to appoint a nominee (who need not be a Shareholder), other than the persons specified in the enclosed Instrument of Proxy, to represent them at the Meeting, and may do so by inserting the name of the appointed representative in the blank space provided in the Instrument of Proxy.

Registered Shareholders may vote in person at the Meeting or any adjournment or postponement thereof or they may appoint another person (who need not be a Shareholder) as their proxy to attend and vote in their place. Registered Shareholders unable to be present at the Meeting in person are requested to date and sign the enclosed form of proxy and mail it to or deposit it with our transfer agent, Computershare Trust Company of Canada ("**Computershare**"): (i) by mail using the enclosed return envelope or one addressed to Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1; (ii) by hand delivery to Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1; (iii) by facsimile to 1-866-249-7775 (inside North America) or (416) 263-9524 (outside North America); or (iv) you may vote by telephone at 1-866-732-8683 (inside North America) or (312) 588-4290 (outside North America). If you wish to vote through the Internet, please go to www.investorvote.com and follow the instructions. You will require your control number found on your proxy form. In order to be valid and acted upon at the Meeting, forms of proxy must be received by Computershare not less than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) before the time of the Meeting or any adjournment or postponement thereof. The time limit for the deposit of proxies may be waived or extended by the Chair of the Meeting at his or her discretion without notice.

Beneficial Shareholders who hold Shares through a broker, financial institution, trustee, nominee or other intermediary or otherwise should carefully follow the instructions found on their voting instructions form.

At the discretion of the Chair of the Meeting, proxies may be deposited with the Chair of the Meeting prior to the commencement of the Meeting or any adjournment or postponement thereof. The giving of a proxy will not affect the right of a Shareholder to attend in person at the Meeting, or any adjournment or postponement thereof and, provided that the proxy is revoked, to vote.

Voting Instructions – Registered Shareholders

You are a Registered Shareholder if your name appears on your share certificate. Registered Shareholders who are eligible to vote can vote their Shares in person at the Meeting. Registered Shareholders, who are eligible to vote but who are unable to attend the Meeting in person, are able to vote their Shares by proxy as described above under "*Proxy Instructions*", and Registered Shareholders are also entitled to vote their Shares either by telephone or on the Internet. In both cases, the Control Number which is located on the Instrument of Proxy will be required. **Please note that if you register your votes by telephone, you cannot appoint anyone other than the directors named on the Instrument of Proxy as your proxy holder.**

Voting Instructions – Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders of the Corporation, as a substantial number of the Shareholders of the Corporation do not hold shares in their own name. Such Beneficial Shareholders should note that only proxies deposited by Registered Shareholders can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases, these Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Shares will more likely be registered under the name of the broker or an agent of a broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian banks, trust companies and brokerage firms). Shares held by brokers or their nominees can only be voted (for, against or withheld from voting for resolutions) upon the instructions of the Beneficial Shareholders. Without specific instructions, brokers/nominees are prohibited from voting Shares for their clients.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its

own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**"). Broadridge typically mails its own form of proxy to the Beneficial Shareholders with the request that the form be completed and returned to its attention. Beneficial Shareholders also have the option in certain cases of forwarding their voting instructions by telephone or through the Internet. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares at the Meeting.

A Beneficial Shareholder receiving a Broadridge form of proxy cannot use that form to vote directly at the Meeting. This form must be returned to Broadridge by mail, hand delivery, fax, Internet or telephone, as directed, well in advance of the Meeting in order to have Shares voted. If the Beneficial Shareholder wishes to attend and vote at the Meeting in person, that Beneficial Shareholder **must insert his or her own name as appointee** in the space provided. In this way, the Beneficial Shareholder appoints him or herself as Proxy and may therefore attend and act at the Meeting.

Voting by Internet

Registered Shareholders may also cast your vote by telephone (1-866-732-8683 within North America, 312-588-4290 from outside North America) or internet (www.investorvote.com) by following the instructions provided on the form. If you choose to vote by telephone or internet, your vote must also be cast no later than 48 hours, excluding Saturdays, Sundays and holidays prior to the time of the Meeting.

REVOCABILITY OF PROXIES

Proxies are revocable. A Shareholder submitting an Instrument of Proxy may revoke the Instrument of Proxy, by instrument in writing, executed by the Shareholder or by his or her attorney duly authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the Instrument of Proxy is to be used, or with the Chair of the Meeting on the day of the Meeting, or any adjournment thereof.

An Instrument of Proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and signed by the Shareholder, or by his attorney duly authorized in writing, and delivered to the Registrar and Transfer Agent of the Corporation, Computershare Trust Company of Canada, 9th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, in acceptable form at least forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the Meeting, or any adjournment thereof.

EXERCISE OF DISCRETION BY PROXY HOLDERS

The Shares represented by the enclosed form of proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder where voting is by way of a show of hands or by ballot. The persons appointed under the enclosed form of proxy are conferred with discretionary authority with respect to amendments or variations of those matters specified in the proxy and Notice of Meeting and with respect to any other matters which may properly be brought before the Meeting or any adjournment thereof in accordance with their best judgement unless the Shareholder has specified to the contrary or that Shares are to be withheld from voting. At the time of printing this Circular, the management of the Corporation knew of no such amendment, variation or other matter.

Unless otherwise specified, proxies in the accompanying form will be voted in favour of the matters set forth herein.

All references to Shareholders in this Circular and the accompanying instrument of proxy and Notice of Meeting are to Shareholders of record, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at May 13, 2016, being the record date for the determination of holders of Shares who are entitled to notice of, and to attend and vote at the Meeting (the "**Record Date**"), the Corporation had outstanding 41,199,931 Shares. Each Share confers upon the holder thereof the right to one vote. Only those Shareholders of record on the Record Date are entitled to notice of, and to attend and vote at the Meeting.

Any transferee or person acquiring Shares after the Record Date may, on proof of ownership of Shares, demand not later than 10 days before the Meeting that his or her name be included in the list of persons entitled to attend and vote at the Meeting.

Artie T. Kos	7,595,825	18.44%

Notes:

(1) Mr. Kos has direct control over 159,220 Shares.

(3) Based on 41,199,931 issued and outstanding Shares as at May 13, 2016.

CORPORATE GOVERNANCE

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), sets out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation’s required annual disclosure of its corporate governance practices in accordance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

1. Board of Directors

The board of directors of the Corporation (the “**Board**”) is currently made up of six (6) members, all of whom will be nominees for election as a director at the Meeting. The Board considers that J. Blair Goertzen, William C. Guinan and Bradley Munro are independent directors according to the definition of “independence” as set out in National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”) as it applies to the Board. The Board considers that Artie T. Kos is not independent as he is the Chairman and Chief Executive Officer of the Corporation. Further, the Board does not consider David Maplethorpe or Ken Stephens to be independent as they have both been executive officers of the Corporation within the last three years. As Mr. Stephens was the Vice President, Finance and CFO of the Corporation until October 14, 2014, he will not be considered independent until October 14, 2017. As Mr. Maplethorpe was Vice President, Waste and Environmental Operations of the Corporation until May 15, 2013, he will not be considered independent until May 15, 2016.

From January 1, 2015 to December 7, 2015 the Board facilitated its exercise of independent supervision over management by having a majority, namely, four (4) of the Board members consist of individuals who were independent of the Corporation, as defined in NI 58-101. Commencing on May 15, 2016, Mr. Maplethorpe will be considered independent within the meaning of NI-58-101 and as at that date the Corporation will again have a majority of four (4) independent directors.

2. Directorships

Certain of the Corporation's directors are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name	Reporting issuers (or equivalent in a foreign jurisdiction)
J. Blair Goertzen	Enerflex Ltd.
William C. Guinan	Brassneck Capital Corp. Ikkuma Resources Corp. Kelt Exploration Ltd.
Bradley Munro	Long Run Exploration Ltd. Secure Energy Services Inc.

3. Orientation and Continuing Education

The Corporation has not developed an orientation program for new directors. However, the Corporation provides each new director with mandates for the Board, each committee of the Board, the Chair of the Board, the Chair of each committee of the Board and the Chief Executive Officer as well as the Corporation's Whistleblower Policy and the Corporation's code of business conduct and ethics, which is available on the System for Electronic Dissemination and Retrieval ("SEDAR") at www.sedar.com. In addition, in order to provide continuing education to the directors, the Board has instructed the Corporate Secretary of the Corporation to supply the directors with updates from time to time, with respect to new legal and regulatory developments which may be of interest to the Board.

4. Ethical Business Conduct

The Corporation has adopted a written code of business conduct and ethics (the "Code"). Reasonable steps are taken to monitor compliance with the Code by requiring directors and officers to sign a written acknowledgment that they have read the Code. The Code applies to the Corporation's directors, officers and employees, each of whom is expected to ensure that his or her behaviour accords with the letter and the spirit of the Code. The Audit Committee is responsible for reviewing departures from the Code by executive officers, management, employees and consultants, reviewing and either providing or denying waivers from the Code, and disclosing any waivers that are granted in accordance with applicable law. The Chair of the Audit Committee is responsible for investigating complaints, presenting complaints to such committee and any other applicable committee of the Board or the Board as a whole, and developing a plan for promptly and fairly resolving complaints. Upon conclusion of the investigation and resolution of a complaint, the Chair of the Audit Committee will advise the complainant of the corrective action measures that have been taken or advise the complainant that the complaint has not been substantiated. The Code prohibits retaliation by the Corporation, its directors, executive officers and management, against complainants who raise concerns in good faith and requires the Corporation to maintain the confidentiality of complainants to the greatest extent practicable. Complainants may also submit their concerns anonymously in writing.

In addition to the Code, the Corporation has an Audit Committee Charter regarding the collection and dissemination of accounting information, and a Whistleblower Policy with respect to reporting accounting and auditing irregularities.

Since the beginning of the Corporation's most recently completed financial year, no material change reports have been filed that pertain to any conduct of a director or executive officer that constitutes a departure from the Code.

5. Nomination of Directors

The Board as a whole remains responsible for nominating new members of the Board and assessing members of the Board on an on-going basis. If it becomes necessary, a nomination committee will be created which in turn will develop relevant criteria for suitable candidates including the independence of the individual, financial acumen and availability to devote sufficient time to the duties of the Board.

6. Compensation

The Human Resources and Compensation Committee annually recommends the compensation to be received by the Corporation's directors and officers. Two of the three members of the Human Resources and Compensation Committee are independent directors. The skills and experience of each Committee member in executive compensation that is relevant to his responsibilities and the making of decisions on the suitability of the Corporation's compensation policies and practices is as follows:

J. Blair Goertzen	Mr. Goertzen has a breadth of experience acquired throughout his business career in which he addressed compensation matters for various companies' executive officers and directors.
William C. Guinan	Mr. Guinan has a breadth of experience acquired throughout his business career in which he addressed compensation matters for various companies' executive officers and directors.
David Maplethorpe	Mr. Maplethorpe has a breadth of experience acquired throughout his business career in which he has addressed compensation matters for various companies' executive officers and directors.

Compensation is determined in the context of the Corporation's goals, Shareholder returns and other achievements, and considered in the context of position descriptions, goals and the performance of each individual director and officer. With respect to compensation matters, the Human Resources and Compensation Committee's tasks include: (a) annually recommending objectives and performance criteria applicable to the Board, each director, the Chair of the Board, the Chair of each committee of the Board and the Chief Executive Officer; (b) annually arranging for an evaluation of the performance, contribution and effectiveness of the Board, each committee of the Board, the directors, the Chair of each committee of the Board and the Chief Executive Officer; (c) preparing and distributing a report to the Board regarding annual evaluations; (d) making recommendations to the Board regarding the amount and form of compensation to award the directors, the Chair of the Board and the Chair of each committee of the Board; (e) making recommendations to the independent members of the Board regarding the amount and form of compensation to award the Chief Executive Officer; (f) reviewing and making recommendations to the Board regarding proposals for the compensation of executive officers and management; (g) reviewing and making recommendations regarding all incentive and equity-based compensation plans and all proposed grants of securities under such plans; and (h) reviewing and making recommendations regarding employee benefit and retirement plans. The compensation of directors and officers of competitors are considered, to the extent publicly available, in determining compensation.

For a detailed discussion of the compensation of the directors of the Corporation, see the discussion under "*Statement of Executive Compensation – Compensation Discussion and Analysis*".

7. Other Board Committees

In addition to the Audit Committee and the Human Resources and Compensation Committee, the Board has a Disclosure and Corporate Governance Committee. The function of the Disclosure and Corporate Governance Committee is to ensure that written and oral communications about the Corporation to the public and to legal and regulatory authorities and applicable exchanges are disseminated in a timely and factually accurate manner and to assist the Corporation in maintaining and complying with its disclosure policy.

8. Assessments

The Board has no formal process in place to assess the effectiveness of the Board, its committees and individual members. However, through the regular interaction between Board members, the Board satisfies itself that the Board, its committees and individual members are performing effectively.

AUDIT COMMITTEE

Under NI 51-102, the Corporation is required to include in its information circular the disclosure required under Form 52-110F2 with respect to its audit committee, including the composition of the audit committee, the text of its audit committee charter and the fees paid to the external auditor all of which is attached hereto as Schedule "A".

STATEMENT OF EXECUTIVE COMPENSATION

1. Compensation Discussion and Analysis

The Human Resources and Compensation Committee of the Board makes recommendations to the Board regarding compensation to be provided to the executive officers and directors of the Corporation and the executive officers of its subsidiaries and, in doing so, the Human Resources and Compensation Committee receives input from the President and Chief Executive Officer in respect of all executive officers other than the President and the Chief Executive Officer. As of December 7, 2015, Wayne Wadley resigned as President and Chief Executive Officer of the Corporation. On December 7, 2015 Austin Fraser was appointed as President of the Corporation and Artie T. Kos was appointed as Executive Chairman of the Corporation. On May 3, 2016, Mr. Kos resigned as Executive Chairman and was appointed Chairman of the Board and Chief Executive Officer ("CEO") of the Corporation.

Compensation of all executive officers is based on the underlying philosophy that such compensation should be competitive with other business operations of similar size and should be reflective of the experience, performance and contribution of the individuals involved and the overall performance of the Corporation. The former Executive Chairman requested, and the Human Resources and Compensation Committee concurred, that during the period from December 7, 2015 to May 3, 2016, the then Executive Chairman would not be paid any base salary or any variable compensation by the Corporation and instead, would be paid a services fee in the amount of \$200,000 per year in consideration for acting as Executive Chairman of the Corporation. Accordingly, the former Executive Chairman, now the CEO of the Corporation, is not paid a base salary, and does not participate in the Stock Option Plan (as defined below) or the Stock Savings Plan (as defined (as defined below)). The foregoing arrangements were applicable prior to May 3, 2016, when the current CEO held the position of Executive Chairman. Following the resignation of Mr. Kos as Executive Chairman and his appointment as Chairman of the Board and CEO on May 3, 2016, the Human Resources and Compensation Committee of the Board will be conducting a review of the compensation arrangements for the CEO.

The Corporation's executive compensation program is available to the Named Executive Officers of the Corporation, which is defined by the securities legislation to mean each of the following individuals, namely: (i) the CEO of the Corporation; (ii) the Chief Financial Officer of the Corporation ("CFO"); (iii) each of the three most highly compensated executive officers of the Corporation including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and (iv) each individual who would be a "Named Executive Officer" under (iii) above but for the fact that the individual was neither an executive officer of the Corporation or its subsidiaries, nor acting in a similar capacity, at the end of the most recently completed financial year-end (collectively, the "NEOs"). For purposes of this Circular, the seven (7) executive officers of the Corporation as of December 31, 2015, including the then Executive Chairman, plus the former President and Chief Executive Officer of the Corporation who resigned on December 7, 2015, as listed in the table under the heading "*Summary Compensation Table*", are the NEOs.

Objectives of the Compensation Program

The objectives of the Corporation's executive compensation program are twofold, namely: (i) to enable the Corporation to attract and retain highly qualified and experienced individuals to serve as executive officers; and (ii) to align the compensation levels available to the executive officers to the successful implementation of the Corporation's strategic plans. The Corporation's executive compensation program is designed to reward the NEOs where they have contributed to the prosperity and growth of the Corporation.

Elements of the Compensation Program

The Corporation's executive compensation program consists of a combination of the following significant elements, namely: base salary, and participation in the Stock Option Plan and in the Stock Savings Plan (both as hereinafter defined). These elements contain both short-term incentives, comprised of cash payments, being those provided by way of base salaries, as well as long-term incentives, comprised of equity based incentives, being those provided under the Stock Option Plan and the Stock Savings Plan. The process for determining perquisites and approval of benefits for the NEOs is, firstly, to implement perquisites and benefits which are comparable to those usually offered by other business entities of a similar size to the Corporation and secondly, to make those perquisites and benefits available to each NEO, equally. The Corporation chooses to pay each element of its executive compensation program in order to maintain its competitive position in the marketplace. The amount for each element of the Corporation's executive compensation program is determined based upon compensation levels provided by the Corporation's competitors as well as upon the discretion of the Board, where applicable, as described below. Each element of the Corporation's executive compensation program is intended to contribute to an overall total compensation package which is designed to provide both short-term and long-term financial incentives to the NEO and to thereby assist the Corporation to successfully implement its strategic plans. The Human Resources and Compensation Committee annually assesses how each element fits into the overall total compensation package and makes recommendations to the Board relating thereto from time to time.

Base Salaries

Base salaries for the NEOs, are reviewed annually and are set to be competitive with industry levels. In addition, in its annual review of base salaries, the Human Resources and Compensation Committee has regard to the contributions made by the NEOs, how their compensation levels relate to compensation packages that would be available to such officers from other employment opportunities and commercially available salary survey data and information publicly disclosed by some of the Corporation's competitors and peers. This enables the Corporation to establish base salaries which attract and retain highly qualified and experienced individuals. Other than as set out immediately above, the base salaries of the NEOs are not determined based on benchmarks, performance goals or a specific formula.

Stock Option Plan

The Corporation established a stock option plan for its directors, officers, employees and consultants effective October 1, 2011, which was initially approved by the Shareholders of the Corporation on September 29, 2011 and which was most recently approved by the Shareholders of the Corporation on June 25, 2015 (the "**Stock Option Plan**"). The process that the Board uses to grant option-based awards to executive officers, including the NEOs, and the factors that are taken into account when considering new grants under the Stock Option Plan, are based upon a number of criteria, including the performance of the executive officers, the number of options available for grant under the Stock Option Plan, the number of options anticipated to be required to meet the future needs of the Corporation, as well as the number of options previously granted to each of the NEOs. It is the full Board, as opposed to the Human Resources and Compensation Committee, which determines the need for any amendments to the Stock Option Plan and it is the full Board which determines the number of option grants to be made under the Stock Option Plan. The President and the CEO, and, after December 7, 2015 and up to May 3, 2016, the President and the Executive Chairman, frequently provided input and recommendations to the Board regarding the granting of options, from time to time. The President and the CEO, and, after December 7, 2015 and up to May 3, 2016, the President and the Executive Chairman, in turn, and where appropriate, also obtained input from other executive officers of the Corporation when providing their input and recommendations. Other than as set out immediately above, the grant of option-based awards is not determined based on benchmarks, performance goals or a specific formula. After May 3, 2016, the CEO has taken over the role as aforesaid previously carried out by the Executive Chairman.

Stock Savings Plan

The Corporation has an employee stock savings plan (the "**Stock Savings Plan**") under which all employees of the Corporation, including the NEOs, may participate. The purpose of the Stock Savings Plan is to make available to the Corporation's employees, commencing three (3) months after the commencement of their employment with the Corporation, a means of acquiring, through regular payroll deductions and the Corporation's matching contribution,

Shares so that participating employees can have the opportunity to benefit from the growth in the value of the Corporation. All employees who become participants contribute, including the NEOs, by way of bi-weekly payroll deductions for investment under the Stock Savings Plan, an amount of their regular salary ranging from a minimum of 0% to 8% (based on 1% increments). The Corporation contributes an amount of funds equal to one-half times the employee's contribution during each month to a maximum of 4% of the employee's base salary.

Risks Associated with Compensation Policies and Practices

The Corporation's compensation program is designed to provide executive officers incentives for the achievement of near-term and long-term objectives, without motivating them to take unnecessary risk. As part of its review and discussion of executive compensation, the Human Resources and Compensation Committee assesses facts that discourage the Corporation's executives from taking unnecessary or excessive risk including: (i) the Corporation's operating strategy and related compensation philosophy; (ii) the effective balance, in each case, between cash and equity mix, near-term, and long-term focus, corporate and individual performance, and financial and non-financial performance; and (iii) the Corporation's approach to performance evaluation and compensation provides greater rewards to an executive officer achieving both short-term and long-term agreed upon objectives. Based on this review, the Human Resources and Compensation Committee believes that the Corporation's total executive compensation program does not encourage executive officers to take unnecessary or excessive risk.

Financial Instruments

The Corporation has not implemented any policies which restrict the NEOs or directors of the Corporation from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEOs or directors of the Corporation.

2. Compensation Governance

The Human Resources and Compensation Committee makes recommendations to the Board regarding the compensation to be provided to the executive officers and directors of the Corporation and, in doing so, receives input from the President and CEO of the Corporation, and, after December 7, 2015 and up to May 3, 2016, the President and the Executive Chairman (in respect of all executive officers other than the President and the CEO). With respect to directors' compensation, the Human Resources and Compensation Committee reviews the level and form of compensation received by the directors and the Chair of each committee, considering the duties and responsibilities of each director, his or her past service and continuing duties in service to the Corporation. The compensation of directors and executive officers of competitors are considered, to the extent publicly available, in determining compensation and the Human Resources and Compensation Committee has the power to engage a compensation consultant or advisor to assist in determining appropriate compensation. After May 3, 2016, the CEO has taken over the role as aforesaid previously carried out by the Executive Chairman.

The following table sets forth the name of each member of the Human Resources and Compensation Committee, whether they are independent and the relevant skills and experience of each member:

Member	Independent	Relevant Skills and Experience
J. Blair Goertzen	Independent ⁽¹⁾	Mr. Goertzen has a breadth of experience acquired throughout his business career in which he has addressed compensation matters for various companies' executive officers and directors.
William C. Guinan	Independent ⁽¹⁾	Mr. Guinan has a breadth of experience acquired throughout his legal and business career in which he has addressed compensation matters for various companies' executive officers and directors.
David Maplethorpe	Not Independent ⁽²⁾	Mr. Maplethorpe has a breadth of experience acquired throughout his business career in which he has addressed compensation matters for various companies' executive officers and directors.

Notes:

- (1) A member of the Human Resources and Compensation Committee is independent if the member has no direct or indirect material relationship with the Corporation which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment.
- (2) Mr. Maplethorpe was Vice President, Waste and Environmental Operations of the Corporation until May 15, 2013 and he will therefore be considered independent under NI-58-101 on May 15, 2016.

During the financial year ended December 31, 2015, the Human Resources and Compensation Committee did not retain an independent compensation consultant or advisor to assist in determining the compensation for the Corporation's directors and executive officers.

3. Option-Based Awards

Notes:

- (1) The Corporation has calculated the grant date fair value of the option awards under the Stock Option Plan granted to the NEOs using the Black-Scholes model. The Corporation chose this methodology because it is recognized as the most common methodology used for valuing stock options. During the financial year ended December 31, 2013, 421,000 stock options were granted to the NEOs, 220,000 options on February 11, 2013 at an exercise price of \$3.09 and 201,000 options on August 30, 2013 at an exercise price of \$2.71. The Black-Scholes assumptions relied upon by the Corporation in respect of options granted to the NEOs were:

	2015	2014	Aug 2013	Feb 2013
Expected annual dividend	\$0.20	\$0.24	\$0.24	\$0.24
Expected volatility	42.0%	30.9%	40%	44%
Risk free interest rate	0.52%	1.13%	1.18%	1.17%
Expected life (years)	3	3	3	3

On March 9, 2016 all of the stock options granted on February 11, 2013 and on August 30, 2013 and all of the stock options granted during the year-ended December 31, 2014 were cancelled.

- (d) The number of Option Shares that may be reserved for allotment to any one person employed to provide investor relations activities pursuant to Options in any 12 month period must not exceed 2% of the issued and outstanding Common Shares. Options granted to Consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than $\frac{1}{4}$ of the Options vesting in any 3 month period and a condition that such Options will expire 30 days after the Optionee ceases to be employed to provide investor relations activities.

For the purposes hereof, the number of issued and outstanding Common Shares is determined as the number of Common Shares that are issued and outstanding immediately prior to a proposed grant of Options excluding Common Shares issued pursuant to share compensation arrangements during the preceding one-year period.

5. PARTICIPATION VOLUNTARY

Participation in the Plan by a Participant is entirely voluntary and does not affect the Participant's employment or continued retainer by, or other engagement with, the Corporation or its subsidiaries. None of the Plan or any Options granted under the Plan of itself gives any Participant the right to continue to be an employee, officer, director or consultant of the Corporation or any subsidiary thereof. None of the terms and conditions governing the Option are affected by any change in the Optionee's employment by or engagement with the Corporation so long as the Optionee continues to be a Participant.

6. CERTAIN TERMS OF OPTION AGREEMENTS

In order to constitute a valid Option granted under this Plan, the Optionee and the Corporation must enter into an Option Agreement in the form acceptable to the Board or the Committee, as the case may be.

An Option Agreement may, in respect of any Option, specify a number or percentage of Option Shares that the Participant may exercise in any specified period, year or number of years. In addition, Option Agreements are deemed to contain the following provisions with respect to the exercise of Options under the Plan:

- (a) An Option under the Plan is only exercisable for a minimum of 100 Common Shares at any one time.
- (b) The Purchase Price must not be less than the Market Price subject always to the discount from the Market Price allowed under the policies, rules or by-laws of the applicable stock exchange(s) on which the Common Shares are listed and posted for trading, which discount is to be considered in setting the Purchase Price wholly at the discretion of the Board or Committee, as the case may be, and upon exercise of the Option must be paid in full in respect of those Option Shares being acquired in Canadian funds by cash, certified cheque or bank draft payable to or to the order of the Corporation at the time of exercise.
- (c) Each Option terminates on its Normal Expiry Date but subject always to the provisions of subclause 6(d) of this Plan.
- (d) If, after the Option Date and on or before the exercise in full of the Option or the Normal Expiry Date, the Optionee ceases to be a Participant:
 - (i) by reason of the Optionee's permanent physical or mental disability, or death, then such Optionee's Option may be exercised to purchase the total number of Option Shares not previously purchased by the Optionee whether or not the rights to purchase some or all of those Option Shares have previously vested in and are exercisable by the Optionee as at the date of such ceasing to be a Participant, provided such exercise occurs at any time on

or before the earlier of the Normal Expiry Date and the date that is 90 days after the date the Optionee ceases to be a Participant due to such permanent physical or mental disability, or death. Thereafter, the Option and all unexercised rights to acquire Option Shares thereunder cease and expire and are of no further force and effect. For greater certainty but without limiting the generality of the foregoing, if the Optionee is deemed to be an employee of the Corporation pursuant to a medical or disability plan of the Corporation or a subsidiary thereof, the Optionee is deemed to be an employee for the purpose of the Plan and the Option; or

- (ii) by reason of the Optionee's office, directorship or employment or services agreement with the Corporation terminating or ending otherwise than by reason of permanent physical or mental disability, or death or termination with or without notice or entitlement to a period of notice of such termination or compensation in lieu thereof, then such Optionee's Option may be exercised to purchase the total number of Option Shares not previously purchased by the Optionee but only to the extent that rights to purchase Option Shares have vested in and are exercisable by the Optionee as at the date of such ceasing to be a Participant, provided such exercise occurs at any time on or before the earlier of the Normal Expiry Date and the date that is 21 days after the date the Optionee ceases to be a Participant due to the termination or ending of the Participant's office, directorship or employment or services agreement. Thereafter, the Option and all unexercised rights to acquire Option Shares thereunder, whether or not such rights have vested to and in favour of the Optionee, cease and expire and are of no further force and effect; or
- (iii) by reason of the Optionee's termination without notice or entitlement to a period of notice of such termination or compensation in lieu thereof, the Optionee may exercise the Option to purchase Option Shares not previously purchased by the Optionee but only to the extent that rights to purchase Option Shares have vested in and are exercisable by the Optionee as at the date of such ceasing to be a Participant, provided that such exercise occurs at any time on or before the earlier of the Normal Expiry Date and the date that the Optionee ceases to be a Participant. Thereafter, the Option and all unexercised rights to acquire Option Shares thereunder, whether or not such rights have vested to and in favour of the Optionee, cease and expire and are of no further force and effect; or
- (iv) by reason of the Optionee's termination, and the Optionee is entitled to reasonable notice of termination or compensation in lieu thereof, then:
 - A. the Optionee may exercise the Option to purchase Option Shares not previously purchased by the Optionee but only to the extent that rights to purchase Option Shares have vested in and are exercisable by the Optionee on or before the date of such ceasing to be a Participant, provided that such exercise occurs at any time on or before the earlier of the Normal Expiry Date and:
 - (1) where the Optionee is given a reasonable period of notice prior to termination, the date the Optionee ceases to be a Participant; or
 - (2) where the Optionee is paid compensation in lieu of reasonable notice of termination, the date that is 21 days after the Optionee ceases to be a Participant; and
 - B. the Optionee is not entitled:
 - (1) to further time to exercise the Option during such reasonable notice period or during such specific notice period; or
 - (2) to compensation in lieu thereof by way of general damages, or special damages, whether in contract, tort or otherwise.

Thereafter, the Option and all unexercised rights to acquire Option Shares thereunder, whether or not such rights have vested to and in favour of the Optionee, cease and expire and are of no further force and effect.

- (e) With respect to subclause 6(d)(i), the rights under the Option exercisable after the death or disability of the Optionee, as therein specified, may be exercised by the person or persons to whom the Optionee's rights under the applicable Option Agreement pass by will or applicable law or, if no such person has such right, by the deceased or disabled Optionee's legal representatives.
- (f) An Optionee has no rights whatsoever as a shareholder in respect of any of the Option Shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of Common Shares in respect of which the Optionee has exercised his Option to purchase thereunder, which the Optionee has actually taken up and paid for, and which have been duly issued to the Optionee and are outstanding as fully paid and non-assessable Common Shares.

7. CHANGES IN STOCK

In the event:

- (a) of any change or proposed change in the Common Shares through subdivision, consolidation, reclassification, amalgamation, merger or otherwise;
- (b) of any issuance, dividend or distribution to all or substantially all the holders of Common Shares of any shares, securities, property or assets of the Corporation other than in the ordinary course;
- (c) that any rights are granted to holders of Common Shares to purchase Common Shares at prices materially below fair market value; or
- (d) that as a result of any recapitalization, merger, consolidation or otherwise the Common Shares are converted into or exchangeable for any other shares or securities;

then in any such case:

- (e) the Board will proportionately adjust the number of Option Shares available for Options, the number of Option Shares covered by outstanding Options, the securities or other property that may be acquired upon the exercise of an Option and the price per Option Share in such Option, or one or more of the foregoing, to prevent substantial dilution or enlargement of the rights granted to, or available for, Optionees/Participants; and
- (f) the Board, in its discretion, may determine that:
 - (i) all or any part of the unexercised and unvested outstanding Options granted under the Plan vest and are exercisable on a date specified by the Board and the unexercised and unvested portion of such Options are thereupon deemed to have been vested and are exercisable on and after the date so specified in respect of any and all Option Shares for which the Optionee has not exercised the Option (notwithstanding that an Option Agreement states that those Options are exercisable only during a later period or year); or
 - (ii) such Options may be exercisable for a limited period of time only and, if so, the Board will determine such period of time,

and such determination or limitation, once made or set, is deemed to be incorporated into the applicable Option Agreement(s).

8. TAKEOVER BID

Notwithstanding the terms of any Option Agreement and Clause 6 of this Plan:

- (a) where an unsolicited Offer for the Common Shares is made, all unexercised and unvested outstanding Options granted under the Plan vest and become immediately exercisable in respect of any and all Option Shares for which the Optionee has not exercised the Option (notwithstanding that an Option Agreement states that those Options are exercisable only during a later period or year); or
- (b) where an Offer for the Common Shares (other than an unsolicited Offer) is made, the Board may by resolution and subject to regulatory approval accelerate the unexpired portions of any outstanding Options so that any unexercised and unvested Options granted under the Plan vest and become exercisable on such terms as the Board so determines (notwithstanding that an Option Agreement states that those Options are exercisable only during a later period or year).

For the purposes hereof, "Offer" means an offer made generally to the holders of the Corporation's voting securities in one or more jurisdictions to acquire, directly or indirectly, voting securities of the Corporation and which is in the nature of a "takeover bid" as defined in the Securities Act and, where the Common Shares are listed and posted for trading on a stock exchange, not exempt from the formal bid requirements of the Securities Act. For the purposes hereof, an "unsolicited Offer" means an Offer in respect of which neither the Board nor management of the Corporation solicited, sought out, or otherwise arranged for the offeror party to make such Offer. Any Option remaining unexercised following the earlier of the withdrawal of such Offer and the expiry of such Offer in accordance with its terms again becomes vested or unvested subject to the original terms of the Option Agreement as if the Offer had not been made.

9. SALE OF ASSETS OR CHANGE IN CONTROL

Notwithstanding the terms of any Option Agreement and Clause 6 of this Plan, if:

- (a) the Corporation sells or otherwise disposes of all or substantially of its assets; or
- (b) any person who does not hold more than 20% of the issued and outstanding Common Shares acquires more than 20% of the outstanding Common Shares without the prior consent of the Board, in any way other than by way of takeover bid (which circumstance is addressed in Clause 8 of this Plan),

all unexercised, unvested and outstanding Options granted under the Plan vest and are immediately exercisable in respect of any and all Option Shares for which the Optionee has not exercised the Option (notwithstanding that an Option Agreement states that those Options are exercisable only during a later period or year). The Board, in its discretion, may determine whether such Options may be exercisable for a limited period of time only and, if so, the Board will determine such period of time and such determination or limitation, once made or set, is deemed to be incorporated into the applicable Option Agreement(s).

10. COMMON SHARES FULLY PAID AND NON-ASSESSABLE

All Common Shares issued upon the exercise of any Option are to be issued as fully paid and non-assessable Common Shares.

11. CONDITIONS OF ISSUANCE OF SHARES

- (a) If at any time the Board or Committee (as the case may be) determines, in its discretion that:
 - (i) the registration or qualification of the Common Shares which are the subject of any Option Agreement upon, or the consent or approval of, any securities exchange or any stock exchange upon which the Common Shares are listed;
 - (ii) the registration or qualification under any laws of Canada or any Province thereof or of the United States or any state thereof or the consent or approval of any regulatory authority thereof;

- (iii) evidence (in form and content satisfactory to the Board) of the investment intent of the Optionee; or
- (iv) an undertaking of the Optionee as to the sale or disposition of such Option Shares that may purchased pursuant to an Option Agreement to the effect that such Option Shares once purchased are not to be traded by the Optionee for a specified period of time,

is necessary or desirable as a condition of the issuance of any Option Shares pursuant to any Option Agreement, then the issuance of any Common Shares is not to be made unless and until such registration, qualification, consent, approval, evidence or undertaking has been effected or obtained free of any condition not acceptable to the Board or Committee.

- (b) Any trade by the Optionee in any Common Shares issued to the Optionee pursuant to the Plan including, without limiting the generality of the foregoing, any sale or disposition for valuable consideration, and any transfer, pledge or encumbrance of any Common Shares issued to an Optionee pursuant to the Plan, is subject to such regulatory approvals and other restrictions under applicable securities laws and regulatory policies as may be required at the time of such trade. Accordingly, the Corporation makes no representation as to the ability of any Optionee to trade in such Common Shares.
- (c) The Corporation cannot assure a profit or protect the Optionee against a loss on the Common Shares purchased under the Plan. The Corporation assumes no responsibility relating to any tax liability of the Optionee by reason of the exercise of any Option or any subsequent trade.

12. ACCOUNTS AND STATEMENTS

The Corporation will maintain records indicating the number of Options granted to each Optionee and the number of Options exercised under the Plan. Upon written request from an Optionee, the Corporation will furnish to that Optionee a statement indicating the number of Options held on his behalf.

13. RESTRICTION ON TRANSFER

The Options granted to an Optionee are personal and non-assignable and any rights in regard thereto cannot be transferred or assigned except upon the death of the Optionee as provided for in the Plan.

14. INTERPRETATION, AMENDMENT AND DISCONTINUANCE

The Board may interpret the Plan, prescribe, amend or rescind rules and regulations relating to it, and make all other determinations necessary or advisable for its administration. In the event of a conflict between the terms of the Plan and an Option Agreement, the terms of the Plan prevail. The Board may from time to time alter, suspend or discontinue the Plan provided that such alteration, suspension or discontinuance does not, except as specifically noted in this Plan or the Option Agreement, alter or impair any Option such Optionee may have under any Option Agreement previously executed and delivered by the Corporation and such Optionee. Any amendment to this Plan is subject to receipt of any necessary regulatory approvals and any amendment required by applicable law or regulatory policy to be approved by shareholders does not become effective until so approved. Subject to the foregoing provisions of this Clause, the Board may terminate the Plan at any time and, upon such termination, any outstanding Option remains exercisable in accordance with its terms as specified herein and in the Option Agreement.

15. WAIVER

No waiver by the Corporation of any term of this Plan or any breach thereof by an Optionee is effective or binding on the Corporation unless the same is expressed in writing and any waiver so expressed does not limit or affect its rights with respect to any other or future breach.

16. NOTICES

The manner of giving notices to the Corporation or to an Optionee is to be specified in the Option Agreement with such Optionee.

17. GENERAL

- (a) This Plan and each Option granted under the Plan are to be governed by and construed in accordance with the laws of the Province of Alberta and any Option Agreement entered into pursuant to the Plan is to be treated in all respects as an Alberta contract.
- (b) Nothing contained herein restricts or limits or is deemed to restrict or limit the rights or powers of the Board in connection with any allotment and issuance of shares in the capital stock of the Corporation which are not reserved for issuance hereunder.
- (c) The Plan and any Option Agreement entered into pursuant hereto enure to the benefit of and are binding upon the Corporation, its successors and assigns. The interest of any Optionee hereunder or under any Option Agreement is not transferable or alienable by the Optionee either by assignment or in any other manner whatsoever and, during his lifetime, is vested only in him, but, subject to the terms hereof and of the Option Agreement, enures to the benefit of and is binding upon the legal personal representatives of the Optionee.

18. APPLICATION TO OUTSTANDING OPTIONS

The Plan shall govern all outstanding options previously granted by Canadian Equipment Rental Fund Limited Partnership under the Prior Plan on and after the date of approval of the Plan by the Board and upon receipt from each holder of outstanding options granted under the Prior Plan of an agreement agreeing and acknowledging that their outstanding options granted under the Prior Plan are subject to the Plan, but in all other respects still subject to the same terms and conditions applicable on the initial date of grant thereof under the Prior Plan.

The Plan was created by the Board effective October 1, 2011.
