ZEDCOR ENERGY INC.
MANAGEMENT INFORMATION CIRCULAR AND PROXY STATEMENT FOR THE
ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 19, 2018

General

Words importing the singular number, where the context requires, include the plural and vice versa and words importing any gender include all genders. In this Management Information Circular and Proxy Statement (“**Circular**”), unless otherwise noted, all dollar amounts are expressed in Canadian dollars. Information contained in this Circular is given as of May 3, 2018, unless otherwise stated.

SOLICITATION OF PROXIES

This Circular is furnished in connection with the solicitation of proxies by the management of Zedcor Energy Inc. (the “**Corporation**”) for use at the Annual and Special Meeting of the holders of common shares (the “**Shares**”) of the Corporation (the “**Shareholders**”) to be held at the **offices of Borden Ladner Gervais LLP, at Centennial Place, East Tower, 1900, 520 – 3rd Avenue S.W., Calgary, Alberta**, on the 19th day of June 2018 at 10:00 a.m. (Calgary time), or at any adjournment thereof (the “**Meeting**”), for the purposes set forth in the Notice of Meeting. Accompanying this Circular (and filed with applicable securities regulatory authorities) is the form of Proxy for use at the Meeting, by holders of Shares of the Corporation.

Proxies will be solicited by mail and may also be solicited personally or by telephone or facsimile by the directors or officers of the Corporation, who will not be specifically remunerated therefor. The cost of solicitation by management of the Corporation will be borne by the Corporation. The Corporation may pay the reasonable costs incurred by persons who are the registered but not beneficial owners of voting securities of the Corporation (such as brokers, dealers, other registrants under applicable securities laws, nominees and/or custodians) in sending or delivering copies of this Circular, the Notice of Meeting and Instrument of Proxy to the beneficial owners of such securities. The Corporation will provide, without cost to such persons, upon request to the Corporation, additional copies of the foregoing documents required for this purpose.

Notice-and-Access

The Corporation has elected to use the “notice-and-access” provisions under National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (the “**Notice-and-Access Provisions**”) for the Meeting in respect of mailings to its Shareholders who do not hold their Shares in their own name, but rather hold their Shares indirectly through accounts with such institutions as brokerage firms, banks and trust companies (referred to in this Circular as “**Beneficial Shareholders**”). However, the Corporation will not be using the Notice-and-Access Provisions in respect of mailings to its registered holders of Shares (“**Registered Shareholders**”). The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to shareholders by allowing a reporting issuer to post an information circular in respect of a meeting of its shareholders and related materials online.

The Corporation has also elected to use procedures known as ‘stratification’ in relation to its use of the Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of an information circular and, if applicable, a paper copy of financial statements and related management’s discussion and analysis (“**Financial Information**”) to some shareholders together with a notice of a

meeting of its shareholders. In relation to the Meeting, Registered Shareholders will receive a paper copy of each of a notice of the Meeting, this Circular dated May 3, 2018 and a form of proxy whereas Beneficial Shareholders will receive a Notice-and-Access Notification and a voting instruction form. Furthermore, a paper copy of the Financial Information in respect of the most recent financial year of the Corporation has been mailed to Registered Shareholders as well as to those Beneficial Shareholders who have previously requested to receive them.

The Corporation will be delivering proxy-related materials through intermediaries to both non-objecting Beneficial Shareholders and objecting Beneficial Shareholders, and the Corporation intends to pay intermediaries for the delivery of such material.

PROXY INSTRUCTIONS

Shareholders have the right to appoint a nominee (who need not be a Shareholder), other than the persons specified in the enclosed Instrument of Proxy, to represent them at the Meeting, and may do so by inserting the name of the appointed representative in the blank space provided in the Instrument of Proxy.

Registered Shareholders may vote in person at the Meeting or any adjournment or postponement thereof or they may appoint another person (who need not be a Shareholder) as their proxy to attend and vote in their place. Registered Shareholders unable to be present at the Meeting in person are requested to date and sign the enclosed form of proxy and mail it to or deposit it with our transfer agent, Computershare Trust Company of Canada (“**Computershare**”): (i) by mail using the enclosed return envelope or one addressed to Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1; (ii) by hand delivery to Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1; (iii) by facsimile to 1-866-249-7775 (inside North America) or (416) 263-9524 (outside North America); or (iv) you may vote by telephone at 1-866-732-8683 (inside North America) or (312) 588-4290 (outside North America). If you wish to vote through the Internet, please go to www.investorvote.com and follow the instructions. You will require your control number found on your proxy form. In order to be valid and acted upon at the Meeting, forms of proxy must be received by Computershare not less than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) before the time of the Meeting or any adjournment or postponement thereof. The time limit for the deposit of proxies may be waived or extended by the Chair of the Meeting at his or her discretion without notice.

Beneficial Shareholders who hold Shares through a broker, financial institution, trustee, nominee or other intermediary or otherwise should carefully follow the instructions found on their voting instructions form.

At the discretion of the Chair of the Meeting, proxies may be deposited with the Chair of the Meeting prior to the commencement of the Meeting or any adjournment or postponement thereof. The giving of a proxy will not affect the right of a Shareholder to attend in person at the Meeting, or any adjournment or postponement thereof and, provided that the proxy is revoked, to vote.

Voting Instructions – Registered Shareholders

You are a Registered Shareholder if your name appears on your share certificate. Registered Shareholders who are eligible to vote can vote their Shares in person at the Meeting. Registered Shareholders, who are eligible to vote but who are unable to attend the Meeting in person, are able to vote their Shares by proxy as described above under “*Proxy Instructions*”, and Registered Shareholders are also entitled to vote their Shares either by telephone or on the Internet. In both cases, the Control Number which is located on the Instrument of Proxy will be required. **Please note that if you register your votes by telephone, you cannot appoint anyone other than the directors named on the Instrument of Proxy as your proxy holder.**

Voting Instructions – Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders of the Corporation, as a substantial number of the Shareholders of the Corporation do not hold Shares in their own name. Such Beneficial Shareholders should note that only proxies deposited by Registered Shareholders can be recognized and

acted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases, these Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Shares will more likely be registered under the name of the broker or an agent of a broker. In Canada, the vast majority of such Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian banks, trust companies and brokerage firms). Shares held by brokers or their nominees can only be voted (for, against or withheld from voting for resolutions) upon the instructions of the Beneficial Shareholders. Without specific instructions, brokers/nominees are prohibited from voting Shares for their clients.

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**"). Broadridge typically mails its own form of proxy to the Beneficial Shareholders with the request that the form be completed and returned to its attention. Beneficial Shareholders also have the option in certain cases of forwarding their voting instructions by telephone or through the Internet. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares at the Meeting.

A Beneficial Shareholder receiving a Broadridge form of proxy cannot use that form to vote directly at the Meeting. This form must be returned to Broadridge by mail, hand delivery, fax, Internet or telephone, as directed, well in advance of the Meeting in order to have Shares voted. If the Beneficial Shareholder wishes to attend and vote at the Meeting in person, that Beneficial Shareholder must insert his or her own name as appointee in the space provided. In this way, the Beneficial Shareholder appoints him or herself as Proxy and may therefore attend and act at the Meeting.

Voting by Internet

Registered Shareholders may also cast your vote by telephone (1-866-732-8683 within North America, 312-588-4290 from outside North America) or internet (www.investorvote.com) by following the instructions provided on the form. If you choose to vote by telephone or internet, your vote must also be cast no later than 48 hours, excluding Saturdays, Sundays and holidays prior to the time of the Meeting.

REVOCABILITY OF PROXIES

Proxies are revocable. A Shareholder submitting an Instrument of Proxy may revoke the Instrument of Proxy, by instrument in writing, executed by the Shareholder or by his or her attorney duly authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the Instrument of Proxy is to be used, or with the Chair of the Meeting on the day of the Meeting, or any adjournment thereof.

An Instrument of Proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and signed by the Shareholder, or by his attorney duly authorized in writing, and delivered to the Registrar and Transfer Agent of the Corporation, Computershare Trust Company of Canada, 8^h Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, in acceptable form at least forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the Meeting, or any adjournment thereof.

EXERCISE OF DISCRETION BY PROXY HOLDERS

The Shares represented by the enclosed form of proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder where voting is by way of a show of hands or by ballot. The persons appointed under the enclosed form of proxy are conferred with discretionary authority with respect to amendments or variations of those matters specified in the proxy and Notice of Meeting and with respect to any other matters which may properly be brought before the Meeting or any adjournment thereof in accordance with their best

judgement unless the Shareholder has specified to the contrary or that Shares are to be withheld from voting. At the time of printing this Circular, the management of the Corporation knew of no such amendment, variation or other matter.

Unless otherwise specified, proxies in the accompanying form will be voted in favour of the matters set forth herein.

All references to Shareholders in this Circular and the accompanying instrument of proxy and Notice of Meeting are to Shareholders of record, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at May 3, 2018, being the record date for the determination of holders of Shares who are entitled to notice of, and to attend and vote at the Meeting (the “**Record Date**”), the Corporation had outstanding 52,338,377 Shares. Each Share confers upon the holder thereof the right to one vote. Only those Shareholders of record on the Record Date are entitled to notice of, and to attend and vote at the Meeting.

Any transferee or person acquiring Shares after the Record Date may, on proof of ownership of Shares, demand not later than 10 days before the Meeting that his or her name be included in the list of persons entitled to attend and vote at the Meeting.

CORPORATE GOVERNANCE

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), sets out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation’s required annual disclosure of its corporate governance practices in accordance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

1. **Board of Directors**

The board of directors of the Corporation (the “**Board**”) is currently made up of (5) members, with four (4) of the current members to be nominees for election as a director at the Meeting, along with Mr. Bob Petryk and Mr. Brian McGill as director nominees. Mr. Bradley Munro will not be standing for election at the Meeting. The Board of Directors (the “**Board**”) has concluded that each nominee is well qualified to serve on the Corporation’s Board. The nominees have the relevant expertise essential to ensure appropriate strategic direction and oversight. Each director nominee has confirmed his eligibility and willingness to serve as a director if elected. All of the individuals who are elected as directors will have their terms of office expire at the next annual meeting of the Corporation, or until successors are elected or directors resign.

The Board considers that Brian McGill, Bob Petryk, Andy Purves and Dean Swanberg are independent director nominees according to the definition of “independence” as set out in National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”) as it applies to the Board. Based on the foregoing, the Board has determined that four (4) of the six (6) director nominees are independent. The Board considers that Ian McKinnon is not independent as he is the President and Chief Executive Officer of the Corporation. Mr. McKinnon was appointed President and Chief Executive Officer of the Corporation on January 15, 2018. The Board considers that Dean Shillington is not independent since he has a “material relationship” with the Corporation as he is the Chief Executive Officer of Maynbridge Capital Inc., the senior lender of the Corporation.

2. **Directorships**

None of the Corporation’s director nominees are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction.

3. **Orientation and Continuing Education**

The Corporation has not developed a formal orientation program for new directors. However, the Corporation provides each new director with copies of the mandates for the Board, each committee of the Board, the Chair of the Board, the Chair of each committee of the Board and the Chief Executive Officer as well as the Corporation’s Communication and Social Media Policy, Whistleblower Policy and the Corporation’s Code of Business Conduct and Ethics, which is available on SEDAR at www.sedar.com. In addition, in order to provide continuing education to the directors, the Board has instructed the Corporate Secretary of the Corporation to provide the directors with updates from time to time, with respect to new legal and regulatory developments which may be of interest to the Board.

4. **Ethical Business Conduct**

The Corporation has adopted a written Code of Business Conduct and Ethics (the “**Code**”). Reasonable steps are taken to monitor compliance with the Code by requiring directors and officers to sign a written acknowledgment that they have read the Code. The Code applies to the Corporation’s directors, officers and employees, each of whom is expected to ensure that his or her behaviour accords with the letter and the spirit of the Code. The Board is responsible for reviewing departures from the Code by executive officers, management, employees and consultants, reviewing and either providing or denying waivers from the Code, and disclosing any waivers that are granted in accordance with applicable law. The Board, through the Audit Committee Chair, also receives reports of concerns in respect of the accuracy and integrity of the Corporation’s auditing, accounting and financial reporting and other appropriate issues raised through the procedures set out in the Corporation’s whistleblower policy. The Chair of the Audit Committee is responsible for investigating complaints, presenting complaints to such committee and any other applicable committee of the Board or the Board as a whole, and developing a plan for promptly and fairly resolving complaints. Upon conclusion of the investigation and resolution of a complaint, the Chair of the Audit Committee will advise the complainant, if the complaint was not submitted anonymously, of the corrective action measures that have been taken or advise the complainant that the complaint has not been substantiated. The Code prohibits retaliation by the Corporation, its directors, executive officers and management, against complainants who raise concerns in good faith and requires the Corporation to maintain the confidentiality of

complainants to the greatest extent practicable. In addition to the Code, the Corporation has an Audit Committee Charter regarding the collection and dissemination of accounting information.

Effective February 28, 2017, the independent members of the Board approved the waiver of the provision of section 4(f) of the Code with respect to the Chair of the Board and Interim Chief Executive Officer and the engagement of Ernst & Young Orenda Corporate Finance Inc. as exclusive advisor to the Corporation. Mr. Barry Munro is the President of Ernst & Young Orenda Corporate Finance Inc. Mr. Barry Munro is the brother of Mr. Brad Munro who is the Chairman of the Board and Interim Chief Executive Officer of the Corporation. Accordingly, a Material Change Report was filed on SEDAR on March 2, 2017 relating to the aforementioned waiver of the Code.

5. **Nomination of Directors**

Effective January 15, 2018 the Board established a Corporate Governance, Nominating and Compensation Committee. A core responsibility of the Corporate Governance, Nominating and Compensation Committee is to identify prospective Board members, consistent with Board-approved criteria, and to recommend such individuals as nominees for election to the Board at each annual meeting of shareholders or to fill vacancies on the Board. For the Corporate Governance, Nominating and Compensation Committee to recommend an individual for Board membership, candidates are assessed on their individual qualifications, experience and expertise and must exhibit the highest degree of integrity, professionalism, values and independent judgement. The Corporate Governance, Nominating and Compensation Committee and the Board do not adhere to any quotas in determining Board membership. The Corporate Governance, Nominating and Compensation Committee believes that the Board should be comprised of directors with a broad range of experience and expertise which are necessary for the Board to carry out its mandate effectively, allowing the Corporate Governance, Nominating and Compensation Committee to identify criteria that a new candidate for the Board should possess. Before making a recommendation on a new director candidate to the Board, the Chair of the Corporate Governance, Nominating and Compensation Committee will meet with the candidate to discuss the candidate's interest and ability to devote the time and commitment required to serve on the Corporation's Board.

The Corporation's Corporate Governance, Nominating and Compensation Committee is currently comprised of three independent directors, being Dean Swanberg (Chair), Brad Munro and Andy Purves. "Independent" refers to the standards of independence set forth within Section 1.4 of NI 52-110. Mr. Munro is not standing for re-election as a director at the Meeting.

6. **Compensation**

Effective January 15, 2018 the Board established a Corporate Governance, Nominating and Compensation Committee which is responsible to review and make recommendations to the Board regarding the adequacy and form of the compensation for the Corporation's officers and directors. The Corporate Governance, Nominating and Compensation Committee is currently comprised of three independent directors, being Dean Swanberg (Chair), Brad Munro and Andy Purves. "Independent" refers to the standards of independence set forth within Section 1.4 of NI 52-110. Mr. Munro is not standing for re-election as a director at the Meeting.

The skills and experience of each Corporate Governance, Nominating and Compensation Committee member in executive compensation that is relevant to his responsibilities and the making of decisions on the suitability of the Corporation's compensation policies and practices is as follows:

Bradley Munro	Mr. Munro has a breadth of experience acquired throughout his business career in which he addressed compensation matters for various companies' executive officers and directors. Mr. Munro is not standing for re-election at the Meeting.
Andy Purves	Mr. Purves has a breadth of experience acquired throughout his business career which enables him to make effective decisions on the Corporation's compensation policies and practices.
Dean Swanberg	Mr. Swanberg has a breadth of experience acquired throughout his business career in which he has addressed compensation matters for various companies' executive officers and directors.

Compensation is determined in the context of the Corporation's goals, shareholder returns and other achievements, and considered in the context of position descriptions, goals and the performance of each individual director and officer. With respect to compensation matters, the Corporate Governance, Nominating and Compensation Committee's tasks include: (a) annually recommending objectives and performance criteria applicable to the Board, each director, the Chair of the Board, the Chair of each committee of the Board and the Chief Executive Officer; (b) making recommendations to the Board regarding the amount and form of compensation to award the directors, the Chair of the Board and the Chair of each committee of the Board; (c) making recommendations to the independent members of the Board regarding the amount and form of compensation to award the Chief Executive Officer; (d) reviewing and making recommendations to the Board regarding proposals for the compensation of executive officers and management; (e) reviewing and making recommendations regarding all incentive and equity-based compensation plans and all proposed grants of securities under such plans; and (f) reviewing and making recommendations regarding employee benefit and retirement plans. The compensation of directors and officers of competitors are considered, to the extent publicly available, in determining compensation.

For a detailed discussion of the compensation of the directors of the Corporation, see the discussion under "*Statement of Executive Compensation – Compensation Discussion and Analysis*".

The Corporate Governance, Nominating and Compensation Committee annually recommends the compensation to be received by the Corporation's directors and officers.

7. **Other Board Committees**

As of the date hereof, there are no other standing Board committees.

8. **Assessments**

The Board has no formal process in place to assess the effectiveness of the Board, its committees and individual members. However, through the regular interaction between Board members, the Board satisfies itself that the Board, its committees and individual members are performing effectively.

AUDIT COMMITTEE

Under National Instrument 51-102 *Continuous Disclosure Obligations*, the Corporation is required to include in its Circular the disclosure required under Form 52-110F2 with respect to its Audit Committee, including the composition of the Audit Committee, the text of its Audit Committee Charter and the fees paid to the external auditor, all of which is attached hereto as Schedule "A".

STATEMENT OF EXECUTIVE COMPENSATION

1. Compensation Discussion and Analysis

The Corporate Governance, Nominating and Compensation Committee of the Board makes recommendations to the Board regarding compensation to be provided to the executive officers and directors of the Corporation and the executive officers of its subsidiaries and, in doing so, the Corporate Governance, Nominating and Compensation Committee receives input from the President and Chief Executive Officer in respect of all executive officers other than the President and the Chief Executive Officer. On February 11, 2017, Mr. Artie Kos resigned as Chair of the Board and Chief Executive Officer of the Corporation. Mr. Brad Munro was appointed Chair of the Board and Interim Chief Executive Officer on February 11, 2017. Mr. Brad Munro resigned as Interim Chief Executive Officer on January 15, 2018. Mr. Ian McKinnon was appointed President and Chief Executive Officer on January 15, 2018.

Compensation of all executive officers is based on the underlying philosophy that such compensation should be competitive with other business operations of similar size and should be reflective of the experience, performance and contribution of the individuals involved and the overall performance of the Corporation. For the period of January 1 to February 11, 2017, Mr. Artie Kos was not paid a base salary and did not participate in the Stock Option Plan (as defined below) or the Stock Savings Plan (as defined below).

The Corporation's executive compensation program is available to the Named Executive Officers of the Corporation, which is defined by the securities legislation to mean each of the following individuals, namely: (i) the Chief Executive Officer ("CEO") of the Corporation; (ii) the Chief Financial Officer of the Corporation ("CFO"); (iii) each of the three most highly compensated executive officers of the Corporation including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and (iv) each individual who would be a "Named Executive Officer" under (iii) above but for the fact that the individual was neither an executive officer of the Corporation or its subsidiaries, nor acting in a similar capacity, at the end of the most recently completed financial year-end (collectively, the "NEOs"). For purposes of this Circular, the four (4) executive officers of the Corporation as of December 31, 2017, as listed in the table under the heading "*Summary Compensation Table*", are the NEOs.

Objectives of the Compensation Program

The objectives of the Corporation's executive compensation program are twofold, namely: (i) to enable the Corporation to attract and retain highly qualified and experienced individuals to serve as executive officers; and (ii) to align the compensation levels available to the executive officers to the successful implementation of the Corporation's strategic plans. The Corporation's executive compensation program is designed to reward the NEOs where they have contributed to the prosperity and growth of the Corporation.

Elements of the Compensation Program

The Corporation's executive compensation program consists of a combination of the following significant elements, namely: (i) base salary; (ii) participation in the Stock Option Plan (as hereinafter defined); and (iii) participation in the Stock Savings Plan (as hereinafter defined). The Corporate Governance, Nominating and Compensation Committee has not implemented a formal bonus plan. The Corporate Governance, Nominating and Compensation Committee may, from time to time, in their discretion, recommend bonus payments to reward employees including NEOs, subject to approval by the Board. These elements contain both short-term incentives, comprised of cash payments, being those provided by way of base salaries and the payment of bonuses, if any, as may be determined on a discretionary basis, as well as long-term incentives, comprised of equity based incentives, being those provided under the Stock Option Plan and the Stock Savings Plan. The process for determining prerequisites and approval of benefits for the NEOs is, firstly, to implement prerequisites and benefits which are comparable to those usually offered by other business entities of a similar size to the Corporation and secondly, to make those prerequisites and benefits available to each NEO, equally. The Corporation chooses to pay each element

of its executive compensation program in order to maintain its competitive position in the marketplace. The amount for each element of the Corporation's executive compensation program is determined based upon compensation levels provided by the Corporation's competitors as well as upon the discretion of the Board, where applicable, as described below. Each element of the Corporation's executive compensation program is intended to contribute to an overall total compensation package which is designed to provide both short-term and long-term financial incentives to the NEO and to thereby assist the Corporation to successfully implement its strategic plans. The Corporate Governance, Nominating and Compensation Committee annually assesses how each element fits into the overall total compensation package and makes recommendations to the Board relating thereto from time to time.

Base Salaries

Base salaries for the NEOs, are reviewed annually and are set to be competitive with industry levels. In addition, in its annual review of base salaries, the Corporate Governance, Nominating and Compensation Committee has regard to the contributions made by the NEOs, how their compensation levels relate to compensation packages that would be available to such officers from other employment opportunities and commercially available salary survey data and information publicly disclosed by some of the Corporation's competitors and peers. This enables the Corporation to establish base salaries which attract and retain highly qualified and experienced individuals. Other than as set out immediately above, the base salaries of the NEOs are not determined based on benchmarks, performance goals or a specific formula.

Stock Option Plan

The Corporation established a stock option plan for its directors, officers, employees and consultants effective October 1, 2011, which was initially approved by the Shareholders of the Corporation on September 29, 2011 and which was most recently approved by the Shareholders of the Corporation on June 27, 2017 (the "**Stock Option Plan**"). The process that the Board uses to grant option-based awards to executive officers, including the NEOs, and the factors that are taken into account when considering new grants under the Stock Option Plan, are based upon a number of criteria, including the performance of the executive officers, the number of options available for grant under the Stock Option Plan, the number of options anticipated to be required to meet the future needs of the Corporation, as well as the number of options previously granted to each of the NEOs. It is the full Board, as opposed to the Corporate Governance, Nominating and Compensation Committee, which determines the need for any amendments to the Stock Option Plan and it is the full Board which determines the number of option grants to be made under the Stock Option Plan. The CEO provides input and recommendations to the Board regarding the granting of options, from time to time. The CEO where appropriate, also obtains input from other executive officers of the Corporation when providing his input and recommendations. Other than as set out immediately above, the grant of option-based awards is not determined based on benchmarks, performance goals or a specific formula.

Stock Savings Plan

The Corporation has an employee stock savings plan (the "**Stock Savings Plan**") under which all employees of the Corporation, including the NEOs, may participate. The purpose of the Stock Savings Plan is to make available to the Corporation's employees, commencing three (3) months after the commencement of their employment with the Corporation, a means of acquiring, through regular payroll deductions and the Corporation's matching contribution, Shares so that participating employees can have the opportunity to benefit from the growth in the value of the Corporation. All employees who become participants contribute, including the NEOs, by way of bi-weekly payroll deductions for investment under the Stock Savings Plan, an amount of their regular salary ranging from a minimum of 0% to 8% (based on 1% increments). The Corporation contributes an amount of funds equal to one-half times the employee's contribution during each month to a maximum of 4% of the employee's base salary.

Discretionary Bonus

The Corporation does not have a formal bonus plan but may, from time to time, award discretionary bonuses. The award of a bonus is determined, in all cases, by a recommendation by the Corporate Governance, Nominating and Compensation Committee and then formal approval from the Board, and is not based on specific performance goals or specific criteria. Discretionary bonuses are intended to drive and reward current year results as well as to provide incentive for future performance.

Risks Associated with Compensation Policies and Practices

The Corporation’s compensation program is designed to provide executive officers incentives for the achievement of near-term and long-term objectives, without motivating them to take unnecessary risk. As part of its review and discussion of executive compensation, the Corporate Governance, Nominating and Compensation Committee assesses facts that discourage the Corporation’s executives from taking unnecessary or excessive risk including: (i) the Corporation’s operating strategy and related compensation philosophy; (ii) the effective balance, in each case, between cash and equity mix, near-term, and long-term focus, corporate and individual performance, and financial and non-financial performance; and (iii) the Corporation’s approach to performance evaluation and compensation provides greater rewards to an executive officer achieving both short-term and long-term agreed upon objectives. Based on this review, the Corporate Governance, Nominating and Compensation Committee believes that the Corporation’s total executive compensation program does not encourage executive officers to take unnecessary or excessive risk.

Financial Instruments

The Corporation has not implemented any policies which restrict the NEOs or directors of the Corporation from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEOs or directors of the Corporation.

2. Compensation Governance

The Corporate Governance, Nominating and Compensation Committee makes recommendations to the Board regarding the compensation to be provided to the executive officers and directors of the Corporation and, in doing so, receives input from the CEO of the Corporation, (in respect of all executive officers other than the CEO). With respect to directors’ compensation, the Corporate Governance, Nominating and Compensation Committee reviews the level and form of compensation received by the directors and the Chair of each committee, considering the duties and responsibilities of each director, his or her past service and continuing duties in service to the Corporation. The compensation of directors and executive officers of competitors are considered, to the extent publicly available, in determining compensation and the Corporate Governance, Nominating and Compensation Committee has the power to engage a compensation consultant or advisor to assist in determining appropriate compensation.

The following table sets forth the name of each member of the Corporate Governance, Nominating and Compensation Committee, whether they are independent and the relevant skills and experience of each member:

Member	Independent	Relevant Skills and Experience
Bradley Munro	Independent ⁽¹⁾⁽²⁾	Mr. Munro has a breadth of experience acquired throughout his business career in which he has addressed compensation matters for various companies' executive officers and directors.
Andy Purves	Independent ⁽¹⁾	Mr. Purves has a breadth of experience acquired throughout his business career which enables him to make effective decisions on the Corporation's compensation policies and practices.
Dean Swanberg	Independent ⁽¹⁾	Mr. Swanberg has a breadth of experience acquired throughout his business career in which he has addressed compensation matters for various companies' executive officers and directors.

Notes:

(1) A member of the Corporate Governance, Nominating and Compensation Committee is independent if the member has no direct or indirect material relationship with the Corporation which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment.

(2) Mr. Munro is not standing for re-election as a director at the Meeting.

During the financial year ended December 31, 2017, the Corporate Governance, Nominating and Compensation Committee did not retain an independent compensation consultant or advisor to assist in determining the compensation for the Corporation's directors and executive officers.

In no event may the number of Option Shares issued under the Plan exceed the total number of Common Shares reserved for issuance hereunder.

- (b) The number of Option Shares that may be reserved for allotment to any one Participant pursuant to Options in any 12 month period must not exceed 5% of the issued and outstanding Common Shares.
- (c) The number of Option Shares that may be reserved for allotment to any one Consultant of the Corporation (or any of its subsidiaries) pursuant to Options in any 12 month period must not exceed 2% of the issued and outstanding Common Shares.
- (d) The number of Option Shares that may be reserved for allotment to any one person employed to provide investor relations activities pursuant to Options in any 12 month period must not exceed 2% of the issued and outstanding Common Shares. Options granted to Consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than $\frac{1}{4}$ of the Options vesting in any 3 month period and a condition that such Options will expire 30 days after the Optionee ceases to be employed to provide investor relations activities.

For the purposes hereof, the number of issued and outstanding Common Shares is determined as the number of Common Shares that are issued and outstanding immediately prior to a proposed grant of Options excluding Common Shares issued pursuant to share compensation arrangements during the preceding one-year period.

5. PARTICIPATION VOLUNTARY

Participation in the Plan by a Participant is entirely voluntary and does not affect the Participant's employment or continued retainer by, or other engagement with, the Corporation or its subsidiaries. None of the Plan or any Options granted under the Plan of itself gives any Participant the right to continue to be an employee, officer, director or consultant of the Corporation or any subsidiary thereof. None of the terms and conditions governing the Option are affected by any change in the Optionee's employment by or engagement with the Corporation so long as the Optionee continues to be a Participant.

6. CERTAIN TERMS OF OPTION AGREEMENTS

In order to constitute a valid Option granted under this Plan, the Optionee and the Corporation must enter into an Option Agreement in the form acceptable to the Board or the Committee, as the case may be.

An Option Agreement may, in respect of any Option, specify a number or percentage of Option Shares that the Participant may exercise in any specified period, year or number of years. In addition, Option Agreements are deemed to contain the following provisions with respect to the exercise of Options under the Plan:

- (a) An Option under the Plan is only exercisable for a minimum of 100 Common Shares at any one time.
- (b) The Purchase Price must not be less than the Market Price subject always to the discount from the Market Price allowed under the policies, rules or by-laws of the applicable stock exchange(s) on which the Common Shares are listed and posted for trading, which discount is to be considered in setting the Purchase Price wholly at the discretion of the Board or Committee, as the case may be, and upon exercise of the Option must be paid in full in respect of those Option Shares being acquired in Canadian funds by cash, certified cheque or bank draft payable to or to the order of the Corporation at the time of exercise.

- (c) Each Option terminates on its Normal Expiry Date but subject always to the provisions of subclause 6(d) of this Plan.
- (d) If, after the Option Date and on or before the exercise in full of the Option or the Normal Expiry Date, the Optionee ceases to be a Participant:
 - (i) by reason of the Optionee's permanent physical or mental disability, or death, then such Optionee's Option may be exercised to purchase the total number of Option Shares not previously purchased by the Optionee whether or not the rights to purchase some or all of those Option Shares have previously vested in and are exercisable by the Optionee as at the date of such ceasing to be a Participant, provided such exercise occurs at any time on or before the earlier of the Normal Expiry Date and the date that is 90 days after the date the Optionee ceases to be a Participant due to such permanent physical or mental disability, or death. Thereafter, the Option and all unexercised rights to acquire Option Shares thereunder cease and expire and are of no further force and effect. For greater certainty but without limiting the generality of the foregoing, if the Optionee is deemed to be an employee of the Corporation pursuant to a medical or disability plan of the Corporation or a subsidiary thereof, the Optionee is deemed to be an employee for the purpose of the Plan and the Option; or
 - (ii) by reason of the Optionee's office, directorship or employment or services agreement with the Corporation terminating or ending otherwise than by reason of permanent physical or mental disability, or death or termination with or without notice or entitlement to a period of notice of such termination or compensation in lieu thereof, then such Optionee's Option may be exercised to purchase the total number of Option Shares not previously purchased by the Optionee but only to the extent that rights to purchase Option Shares have vested in and are exercisable by the Optionee as at the date of such ceasing to be a Participant, provided such exercise occurs at any time on or before the earlier of the Normal Expiry Date and the date that is 21 days after the date the Optionee ceases to be a Participant due to the termination or ending of the Participant's office, directorship or employment or services agreement. Thereafter, the Option and all unexercised rights to acquire Option Shares thereunder, whether or not such rights have vested to and in favour of the Optionee, cease and expire and are of no further force and effect; or
 - (iii) by reason of the Optionee's termination without notice or entitlement to a period of notice of such termination or compensation in lieu thereof, the Optionee may exercise the Option to purchase Option Shares not previously purchased by the Optionee but only to the extent that rights to purchase Option Shares have vested in and are exercisable by the Optionee as at the date of such ceasing to be a Participant, provided that such exercise occurs at any time on or before the earlier of the Normal Expiry Date and the date that the Optionee ceases to be a Participant. Thereafter, the Option and all unexercised rights to acquire Option Shares thereunder, whether or not such rights have vested to and in favour of the Optionee, cease and expire and are of no further force and effect; or
 - (iv) by reason of the Optionee's termination, and the Optionee is entitled to reasonable notice of termination or compensation in lieu thereof, then:
 - A. the Optionee may exercise the Option to purchase Option Shares not previously purchased by the Optionee but only to the extent that rights to purchase Option Shares have vested in and are exercisable by the Optionee on or before the date of such ceasing to be a Participant, provided that such

exercise occurs at any time on or before the earlier of the Normal Expiry Date and:

- (1) where the Optionee is given a reasonable period of notice prior to termination, the date the Optionee ceases to be a Participant; or
- (2) where the Optionee is paid compensation in lieu of reasonable notice of termination, the date that is 21 days after the Optionee ceases to be a Participant; and

B. the Optionee is not entitled:

- (1) to further time to exercise the Option during such reasonable notice period or during such specific notice period; or
- (2) to compensation in lieu thereof by way of general damages, or special damages, whether in contract, tort or otherwise.

Thereafter, the Option and all unexercised rights to acquire Option Shares thereunder, whether or not such rights have vested to and in favour of the Optionee, cease and expire and are of no further force and effect.

- (e) With respect to subclause 6(d)(i), the rights under the Option exercisable after the death or disability of the Optionee, as therein specified, may be exercised by the person or persons to whom the Optionee's rights under the applicable Option Agreement pass by will or applicable law or, if no such person has such right, by the deceased or disabled Optionee's legal representatives.
- (f) An Optionee has no rights whatsoever as a shareholder in respect of any of the Option Shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of Common Shares in respect of which the Optionee has exercised his Option to purchase thereunder, which the Optionee has actually taken up and paid for, and which have been duly issued to the Optionee and are outstanding as fully paid and non-assessable Common Shares.

7. CHANGES IN STOCK

In the event:

- (a) of any change or proposed change in the Common Shares through subdivision, consolidation, reclassification, amalgamation, merger or otherwise;
- (b) of any issuance, dividend or distribution to all or substantially all the holders of Common Shares of any shares, securities, property or assets of the Corporation other than in the ordinary course;
- (c) that any rights are granted to holders of Common Shares to purchase Common Shares at prices materially below fair market value; or
- (d) that as a result of any recapitalization, merger, consolidation or otherwise the Common Shares are converted into or exchangeable for any other shares or securities;

then in any such case:

- (e) the Board will proportionately adjust the number of Option Shares available for Options, the number of Option Shares covered by outstanding Options, the securities or other property that

may be acquired upon the exercise of an Option and the price per Option Share in such Option, or one or more of the foregoing, to prevent substantial dilution or enlargement of the rights granted to, or available for, Optionees/Participants; and

- (f) the Board, in its discretion, may determine that:
- (i) all or any part of the unexercised and unvested outstanding Options granted under the Plan vest and are exercisable on a date specified by the Board and the unexercised and unvested portion of such Options are thereupon deemed to have been vested and are exercisable on and after the date so specified in respect of any and all Option Shares for which the Optionee has not exercised the Option (notwithstanding that an Option Agreement states that those Options are exercisable only during a later period or year); or
 - (ii) such Options may be exercisable for a limited period of time only and, if so, the Board will determine such period of time,

and such determination or limitation, once made or set, is deemed to be incorporated into the applicable Option Agreement(s).

8. TAKEOVER BID

Notwithstanding the terms of any Option Agreement and Clause 6 of this Plan:

- (a) where an unsolicited Offer for the Common Shares is made, all unexercised and unvested outstanding Options granted under the Plan vest and become immediately exercisable in respect of any and all Option Shares for which the Optionee has not exercised the Option (notwithstanding that an Option Agreement states that those Options are exercisable only during a later period or year); or
- (b) where an Offer for the Common Shares (other than an unsolicited Offer) is made, the Board may by resolution and subject to regulatory approval accelerate the unexpired portions of any outstanding Options so that any unexercised and unvested Options granted under the Plan vest and become exercisable on such terms as the Board so determines (notwithstanding that an Option Agreement states that those Options are exercisable only during a later period or year).

For the purposes hereof, "Offer" means an offer made generally to the holders of the Corporation's voting securities in one or more jurisdictions to acquire, directly or indirectly, voting securities of the Corporation and which is in the nature of a "takeover bid" as defined in the Securities Act and, where the Common Shares are listed and posted for trading on a stock exchange, not exempt from the formal bid requirements of the Securities Act. For the purposes hereof, an "unsolicited Offer" means an Offer in respect of which neither the Board nor management of the Corporation solicited, sought out, or otherwise arranged for the offeror party to make such Offer. Any Option remaining unexercised following the earlier of the withdrawal of such Offer and the expiry of such Offer in accordance with its terms again becomes vested or unvested subject to the original terms of the Option Agreement as if the Offer had not been made.

9. SALE OF ASSETS OR CHANGE IN CONTROL

Notwithstanding the terms of any Option Agreement and Clause 6 of this Plan, if:

- (a) the Corporation sells or otherwise disposes of all or substantially of its assets; or
- (b) any person who does not hold more than 20% of the issued and outstanding Common Shares acquires more than 20% of the outstanding Common Shares without the prior consent of the

Board, in any way other than by way of takeover bid (which circumstance is addressed in Clause 8 of this Plan),

all unexercised, unvested and outstanding Options granted under the Plan vest and are immediately exercisable in respect of any and all Option Shares for which the Optionee has not exercised the Option (notwithstanding that an Option Agreement states that those Options are exercisable only during a later period or year). The Board, in its discretion, may determine whether such Options may be exercisable for a limited period of time only and, if so, the Board will determine such period of time and such determination or limitation, once made or set, is deemed to be incorporated into the applicable Option Agreement(s).

10. COMMON SHARES FULLY PAID AND NON-ASSESSABLE

All Common Shares issued upon the exercise of any Option are to be issued as fully paid and non-assessable Common Shares.

11. CONDITIONS OF ISSUANCE OF SHARES

- (a) If at any time the Board or Committee (as the case may be) determines, in its discretion that:
- (i) the registration or qualification of the Common Shares which are the subject of any Option Agreement upon, or the consent or approval of, any securities exchange or any stock exchange upon which the Common Shares are listed;
 - (ii) the registration or qualification under any laws of Canada or any Province thereof or of the United States or any state thereof or the consent or approval of any regulatory authority thereof;
 - (iii) evidence (in form and content satisfactory to the Board) of the investment intent of the Optionee; or
 - (iv) an undertaking of the Optionee as to the sale or disposition of such Option Shares that may be purchased pursuant to an Option Agreement to the effect that such Option Shares once purchased are not to be traded by the Optionee for a specified period of time,

is necessary or desirable as a condition of the issuance of any Option Shares pursuant to any Option Agreement, then the issuance of any Common Shares is not to be made unless and until such registration, qualification, consent, approval, evidence or undertaking has been effected or obtained free of any condition not acceptable to the Board or Committee.

- (b) Any trade by the Optionee in any Common Shares issued to the Optionee pursuant to the Plan including, without limiting the generality of the foregoing, any sale or disposition for valuable consideration, and any transfer, pledge or encumbrance of any Common Shares issued to an Optionee pursuant to the Plan, is subject to such regulatory approvals and other restrictions under applicable securities laws and regulatory policies as may be required at the time of such trade. Accordingly, the Corporation makes no representation as to the ability of any Optionee to trade in such Common Shares.
- (c) The Corporation cannot assure a profit or protect the Optionee against a loss on the Common Shares purchased under the Plan. The Corporation assumes no responsibility relating to any tax liability of the Optionee by reason of the exercise of any Option or any subsequent trade.

12. ACCOUNTS AND STATEMENTS

The Corporation will maintain records indicating the number of Options granted to each Optionee and the number of Options exercised under the Plan. Upon written request from an Optionee, the Corporation will furnish to that Optionee a statement indicating the number of Options held on his behalf.

13. RESTRICTION ON TRANSFER

The Options granted to an Optionee are personal and non-assignable and any rights in regard thereto cannot be transferred or assigned except upon the death of the Optionee as provided for in the Plan.

14. INTERPRETATION, AMENDMENT AND DISCONTINUANCE

The Board may interpret the Plan, prescribe, amend or rescind rules and regulations relating to it, and make all other determinations necessary or advisable for its administration. In the event of a conflict between the terms of the Plan and an Option Agreement, the terms of the Plan prevail. The Board may from time to time alter, suspend or discontinue the Plan provided that such alteration, suspension or discontinuance does not, except as specifically noted in this Plan or the Option Agreement, alter or impair any Option such Optionee may have under any Option Agreement previously executed and delivered by the Corporation and such Optionee. Any amendment to this Plan is subject to receipt of any necessary regulatory approvals and any amendment required by applicable law or regulatory policy to be approved by shareholders does not become effective until so approved. Subject to the foregoing provisions of this Clause, the Board may terminate the Plan at any time and, upon such termination, any outstanding Option remains exercisable in accordance with its terms as specified herein and in the Option Agreement.

15. WAIVER

No waiver by the Corporation of any term of this Plan or any breach thereof by an Optionee is effective or binding on the Corporation unless the same is expressed in writing and any waiver so expressed does not limit or affect its rights with respect to any other or future breach.

16. NOTICES

The manner of giving notices to the Corporation or to an Optionee is to be specified in the Option Agreement with such Optionee.

17. GENERAL

- (a) This Plan and each Option granted under the Plan are to be governed by and construed in accordance with the laws of the Province of Alberta and any Option Agreement entered into pursuant to the Plan is to be treated in all respects as an Alberta contract.
- (b) Nothing contained herein restricts or limits or is deemed to restrict or limit the rights or powers of the Board in connection with any allotment and issuance of shares in the capital stock of the Corporation which are not reserved for issuance hereunder.
- (c) The Plan and any Option Agreement entered into pursuant hereto enure to the benefit of and are binding upon the Corporation, its successors and assigns. The interest of any Optionee hereunder or under any Option Agreement is not transferable or alienable by the Optionee either by assignment or in any other manner whatsoever and, during his lifetime, is vested only in him, but, subject to the terms hereof and of the Option Agreement, enures to the benefit of and is binding upon the legal personal representatives of the Optionee.

18. APPLICATION TO OUTSTANDING OPTIONS

The Plan shall govern all outstanding options previously granted by Canadian Equipment Rental Fund Limited Partnership under the Prior Plan on and after the date of approval of the Plan by the Board and upon receipt from each holder of outstanding options granted under the Prior Plan of an agreement agreeing and acknowledging that their outstanding options granted under the Prior Plan are subject to the Plan, but in all other respects still subject to the same terms and conditions applicable on the initial date of grant thereof under the Prior Plan.
